

THE IGFOA PARTNER PROGRAM 2025

IGFOA Partner Program membership is all inclusive and provides year round benefits with a commitment to equal treatment for all partners within a level. Once annual dues are paid, Partners do not receive requests for additional sponsorships for IGFOA Events.

Sustaining Partner annual membership is \$4,800 for Primary Member and one other Member (total of two Members) and \$175 is for each additional Member.

Associate Partner annual membership is \$2,700 for Primary Member and \$225 for each additional Member.

PARTNER LEVELS AND BENEFITS

Sustaining Partners receive priority opportunities, choices, and consideration
