**Aimee Briles, Senior Vice President, Director of Government Banking, *Wintrust Financial Corporation***

Aimee Briles oversees the Government Funds group at Wintrust Financial and has 27 years of banking experience. For the past 20+ years Aimee has focused on government banking, specializing in the needs of public entities. Aimee joined Wintrust in 2007 and works with the family of Wintrust Community Banks® to deliver innovative products, tailored processes, and exceptional customer service specifically to meet the needs of local governmental units in our communities. Aimee is proficient in her understanding of FDIC insurance coverage options and the collateral needs of local government entities, as well as public fund investment options and rates.

Aimee has been an active member of the Illinois Government Finance Officers Association, Illinois Association of School Business Officials and the Illinois Park and Recreation Association since 2003. She presents seminars to the respective members of each several times a year providing information on industry updates, Treasury Management product enhancements and the current rate environment. She has also served on the IGFOA Professional Education Committee and IGFOA Association Forum.
